

# IS YOUR CHILD STARTING SCHOOL IN 2018?

**HELP SET YOUR CHILD  
UP FOR SUCCESS  
WITH OUR INNOVATIVE  
HOLIDAY GROUPS**

**Starting 'big school' is a big change – so it's important your child transitions smoothly.**

Our unique two-day School Readiness holiday groups focus on the fine motor, social and self-regulation skills your child will need in Kindergarten. Plus, it also includes a Morning at School simulation to familiarise your child with a school-like environment. Run by our specialist Occupational Therapists in a fun, dynamic group setting, our holiday groups can put your child on the front foot as they begin Kindergarten.

Our groups are run in two convenient locations:

**Pymble: 18-19 January 2018**

**Balgowlah: 22-23 January 2018**
